

# Chip Debit Cards are Coming Soon!

Starting this fall, in order to provide you added security, Indianhead Credit Union will be issuing you a new **Chip Debit Card** when your current card expires. Your new Chip Debit Card will require you to enter your PIN when making a purchase.

If you are planning a trip outside the United States, please contact us so we can provide you with your new Chip Debit Card before you leave. Europe and Canada are in the process of eliminating the magnetic swipe terminals so your current debit card may not work in these countries.

**Questions?** Feel free to call: **715-635-8273** or **800-645-9391**

[GoChipCard.com](http://GoChipCard.com) is the go-to site for easy to use resources on chip cards.
