

# Effective February 1, 2016

Indianhead Credit Union will no longer offer recreational vehicle transactions.

You may use the on-line vehicle registration system at [dnr.wi.gov](http://dnr.wi.gov), and then operate with the printed temporary operating receipt while you wait for decals and trail passes to arrive by mail. **OR**, you can complete a hard copy registration form and send it to the DNR for processing; however you cannot operate your recreational vehicle until the decals arrive.

Recreational Vehicle Transactions may or may not continue to be available at the following businesses. **Please call ahead for verification and business hours.**
