

Chip Cards are Coming Soon!

In order to provide you added security, Indianhead Credit Union will soon begin issuing new **Chip Debit Cards** as current debit cards expire. Your new Chip Card will *require you to enter your PIN* when making a purchase.

If you are planning a trip outside the United States, please contact us so we can provide you with your new Chip Card before you leave. Europe and Canada are in the process of eliminating the magnetic swipe terminals so your current debit card may not work in these countries.

Questions? Feel free to call: **715-635-8273** or **800-645-9391**

GoChipCard.com is the go-to site for easy to use resources on chip cards.
