

As much as we love seeing our members come into our branches, we have other options for those who are more comfortable keeping a distance from group settings.

- Online and Mobile Banking (link to website): Access your accounts anywhere 24/7. You can check balances, transfer money and pay bills.
- Remote Deposit Capture (RDC): With this service, you can take a photograph of your check and deposit it without ever bringing the physical check in. This service is only available via our mobile app. To set up this service, please call one of the branches.
- Debit Cards (link to website): Have access to your money 24/7
- External Origination: With this service you can move money between Indianhead Credit Union and your other financials. This service is via online/mobile banking. There is a two-day process to set this up.
- Bill Pay: Within our online and mobile banking you can pay your bills electronically
- ATMs: Indianhead Credit Union has access to thousands of fee free ATMs via MoneyPass. (link to moneypass it is located on the debit card page)
- Drive-Thru at the Spooner location
- All branches have night deposit boxes if you don't want to enter the building. We will be checking the night deposit boxes regularly throughout the day for deposits.
- HAL (link): our 24 hour automated telephone system
- Mail (link to locations)
